Remarks

Reconsideration of the application is respectfully
requested. The original patent specification has been revised
5 to conform to rule 37 CFR 1.78 and other rules. No new matter
has been added.

The claims have been amended to better conform to US
patent practice. The amended claims contain no new matter.
An abstract has been added on a separate page following the
10 claims. The abstract contains no new matter.

The application is now submitted to be in condition
for allowance, and such action is respectfully requested.

Respectfully submitted,
